

Summer Scenes @ SUMMER STAGE Performing Arts Camp

Director's Corner – Shawn & Jessica

Dear Summer Stage Families,

Peter Pan is here! Today we had the pleasure of watching a run through on the stage with set pieces of the show, and the cast is looking fantastic. This next week is where it all comes together; we will be adding costumes, lights and props! It's going to be a long week six but the performance will be fantastic. The campers are learning how to be young professionals. We are extremely proud of the growth of each camper.

Our production of Peter Pan is really coming along nicely. I'm so proud of our campers, who have jumped right in (literally for the Walk the Plank scene)... and with limited rehearsal time have worked very hard to be ready for our first run through. Next week sets and lights! Hearty congratulations to everyone for their hard work. I hope to see you there.

Sports with Summer Stage Counselors

Our sports elective is one of the few times in the day that the kids get to let loose and run around. We like to set the kids up with an organized game, teaching them basic skills and rules, and letting them take control. Luckily we have a group of good athletes and team players, but the counselors like to ensure there are only positive attitudes. We teach the kids to work as a team, which they take to the stage to build an ensemble.
